MURPHY BEDS

	murphy	pocket door bed	dreamsaver
	This traditional pull-down style bed is hidden by bi-fold doors that open to the side when the bed is in use. Optional side cabinets offer additional storage.	This Murphy bed features hide-away bi-fold doors that slide inside the bed cabinet; saving space and providing easier access to bed side areas.	Stylish and affordable, this popular Murphy bed model is equipped with functional side cabinets (included) and can accommodate lower ceiling heights.

murphy vs. panel

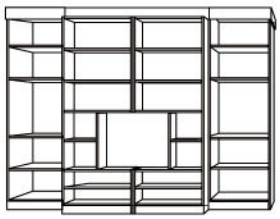

The **Murphy Bed** includes doors that open to the side. The spring loaded mechanism allows for easy single-handed operation and features a support leg that extends and retracts automatically. The Murphy bed’s vertically stored mattress is supported by our EZ Frame System (a series of pre-curved high strength wooden slats). Designed to provide additional comfort and support for the mattress.

The **Panel Bed** maximizes space and offers a sleek, clutter-free design. These beds feature front panel doors that drop down with the bed to become its mattress support, allowing easy access to optional bedside cabinets. All Panel Beds include a spring-balanced, cabinet-mounted bed mechanism for effortless operation.
